

An architectural site plan for 'Edificio B' showing a building footprint, a parking lot with several cars, two soccer fields, two basketball courts, and a central paved area with a building footprint. The plan is heavily landscaped with various tree types: red-leafed trees, purple trees, green trees, and yellow-green trees. A road with a double line runs along the bottom left, and another road runs along the right side. The building footprint is located in the upper right quadrant of the site.
